# Monarchy Collection

One of the big news this year is the Monarchy Collection which almost steps right out of a fairy tale.

In Denmark, we too, are lucky enough to have a real monarchy with a stoic queen on the throne. Hoptimist wants to celebrate this unique royal feeling and now introduces the Prince and Princess. Later in the year we hope to introduce the Kind and Queen.

## Make every day a little more joyful

Give a Hoptimist and experience the joy of giving. Gustav Ehrenreich created the first figures in the late 1960s, which have gone on to earn themselves a place in Danish design history.

Today, the happy movement consists of a wealth of happy, brightly coloured Hoptimists for every occasion.
