Rainbow Collection

People come in all shapes and colours

The world is full of colors!

With our new Rainbow collection we celebrate diversity and pay tributes to a world of multiple forms, shapes and colors.

The collection is a celebration to a life of joy and equality.

Make every day a little more joyful

Give a Hoptimist and experience the joy of giving. Gustav Ehrenreich created the first figures in the late 1960s, which have gone on to earn themselves a place in Danish design history.

Today, the happy movement consists of a wealth of happy, brightly coloured Hoptimists for every occasion.
