GOTS CERTIFIED ORGANICS

GOTS (Global Organic Textile Standard) guarantees organic products healthy for you and the environment, including fair working conditions, free from harmful chemicals, from harvest to manufacture including finishing processes. GOTS also guarantees that the disposal of waste is handled in a proper way. Strict guidelines as to appropriate working hours and working conditions, livable wages, and no child labor. For further information: www.global-standard.org.

OEKO-TEX STANDARD 100

OEKO-Tex Standard 100 is a global program for screening of harmful substances in consumer textiles. Products with the OEKO-Tex label is 100% free from harmful substances including toxins and irritants.

TEXTILES

Our tea towels are made in Europe. They are made from 100% cotton, organic, jacquard woven and has a high absorbency. Our dishcloths are also made from 100% cotton, organic and they are GOTS-certified. Towels and dishcloths are machine washable at 60 degrees.

TABLEWARE

All tableware with gold-decal must be hand washed with mild dish soap. All tableware decals are hand placed, small irregularities can occur.

MOUTH-BLOWN BOROSILICATE GLASS – EACH ITEM IS UNIQUE

There may be irregularities in the color/surface of mouth-blown glass. Borosilicate glass is reusable and both BPA and chemical free. Thermal shock resistance max 120°C. Our glasses are dishwasher safe, the borosilicate glass straws must be cleaned with the brush provided with the set.

HOW TO CARE FOR YOUR CUTLERY

Our cutlery must be hand washed (mild soap). Water containing iron and chlorine can result in rust stains. Food containing acid as in ketchup, mustard, egg, lemon, etc. can cause rust stains. We recommend that the cutlery is rinsed or washed immediately after use.

HOW TO CARE FOR YOUR MARBLE ITEMS

All marble must be cleaned gentle with a damp cloth and mild dish soap (must not soak). Also avoid cleaning detergents with grinding effect. Rinse and dry thoroughly. Dishwasher is a no go, detergents can harm the finish, and exposure to high heat and lots of water can and even cause fractures and cracks. All our marble items are food approved.

WHY SILICONE TOOLS IS ESSENTIAL IN YOUR KITCHEN

They are both stain- and odor-resistant! Because of the characteristics of silicone, it does not retain odors or colors when you use it for stirring deep-colored food like e.g. tomato-based food products. All silicone tools without wooden handle are dishwasher safe, all silicone tool with wooden handles must be hand washed.

GLASS AND CRYSTAL GLASS CANDLE HOLDERS

Hard or pointed items will damage the surface. Clean with a soft, dry cloth, do not use dishwasher, washing powder or other abrasive materials as such substances will harm the candle holders.
