IRREGULAR RIM

A still life composition featuring ceramic dishes with concentric blue patterns, a bowl, and natural elements like stones and flowers. The scene is set on a light-colored, textured surface. In the foreground, a large, shallow dish with a dark blue interior and a pattern of concentric circles is prominent. To its left, another similar dish is partially visible. In the background, a white bowl with a dark blue interior is positioned. Scattered around the dishes are several smooth, light-colored stones and small, delicate yellow flowers. The lighting is soft and natural, creating a serene and artistic atmosphere.

A still life composition featuring ceramic bowls, a large textured plate, and natural elements like wood slices and flowers. The scene is set on a light gray surface. In the foreground, a large, shallow, circular ceramic plate with a concentric circle texture is prominent. To its right, a small, round, light-colored ceramic bowl sits on a matching saucer. In the background, another similar bowl is visible, resting on a wooden slice. Several small, white, five-petaled flowers are scattered around the objects. Three thin, circular wood slices are also visible on the right side of the frame. The overall aesthetic is rustic and minimalist.
