MA CHÉRIE MON AMOUR

ABOUT

PHILOSOPHY & STYLE

Our brand is distinguished by a playful and unique approach to design, blending French and German influences to create an aesthetic that is simultaneously chic, refined, and full of character. Our philosophy is to enchant everyday life and bring joy to every shared moment, especially around the dining table. The collections often feature animal motifs, such as cats and dogs, with humor and elegance, for the delight of pet lovers. We work with the help of AI to bring a touch of originality to our designs, which are then reworked by our graphic designers to achieve a unique and original result.

PRODUCT COLLECTIONS

Ma chérie Mon amour specializes in tableware and interior decoration products.

- **Placemats and Coasters/Trivets:** Our brand offers vinyl placemats (easy to clean and resistant) as well as glass coasters and trivets. These items feature a variety of designs, ranging from modern colored motifs to animal illustrations, adding a touch of originality and style to your meals.
- **Decorative Trays:** Wooden trays are also available, serving as both practical serving accessories and decorative objects to enhance your interior.
- **Cushions:** To bring a pop of color to your sofa, our brand also offers cushions in collaboration with the brand **PAD**. These decorative textiles align with the same colorful and design-oriented spirit as the rest of the collection.

OUR COMMITMENT

Our commitment to sustainability and ecological responsibility is at the heart of the Ma chérie Mon amour philosophy. We firmly believe that it is possible to combine aesthetics and ethics, which is why we favor conscious production methods. For our vinyl and glass collections, we have adopted **production on demand** to minimize waste and only produce what is necessary. Our trays are made from **FSC-certified birch wood**, sourced from sustainably managed forests in Sweden, guaranteeing traceability and respect for ecosystems. To reduce our carbon footprint and support the European economy, PAD cushions are designed and **manufactured in Europe** using superior quality fabrics, thus ensuring the durability of our creations so they can accompany you for many years.

PHILOSOPHIE ET STYLE

Notre marque se distingue par une approche ludique et unique du design, mêlant l'influence française et allemande pour créer une esthétique à la fois chic, épurée et pleine de caractère. Notre philosophie est d'enchanter le quotidien et d'apporter de la joie à chaque moment partagé, notamment autour de la table. Les collections mettent souvent en scène des motifs d'animaux, comme des chats et des chiens, avec humour et élégance, pour le plaisir des amoureux des bêtes. Nous travaillons avec l'aide de l'IA pour apporter une touche d'originalité à nos designs qui sont ensuite retravaillés avec nos graphistes pour avoir un rendu unique et original.

COLLECTIONS DE PRODUITS

Ma chérie Mon amour se spécialise dans les produits d'art de la table et de décoration d'intérieur.

- **Sets de table et dessous de verre/plat:** Notre marque propose des sets de table en vinyle (faciles à nettoyer et résistants) ainsi que des dessous de verres et de plats en verre. Ces articles arborent des designs variés, allant de motifs modernes colorées, ou encore des illustrations d'animaux, ajoutant une touche d'originalité et de style à vos repas.
- **Plateaux de décoration:** Des plateaux en bois sont également disponibles, servant à la fois d'accessoires pratiques pour servir et d'objets de décoration pour sublimer votre intérieur.
- **Coussins:** Pour apporter du peps à votre canapé, notre marque propose aussi des coussins en collaboration avec la marque **PAD**. Ces textiles décoratifs s'inscrivent dans la même veine colorée et design que le reste de la collection.

NOTRE ENGAGEMENT

Notre engagement envers la durabilité et la responsabilité écologique est au cœur de la philosophie de **Ma chérie Mon amour**. Nous croyons fermement qu'il est possible d'allier l'esthétique et l'éthique, c'est pourquoi nous privilégions des méthodes de production conscientes. Pour nos collections en vinyle et en verre, nous avons adopté **la production à la demande** afin de minimiser le gaspillage et de ne produire que ce qui est nécessaire. Nos plateaux sont fabriqués à partir de **bois de bouleau certifié FSC**, issu de forêts gérées durablement en Suède, garantissant la traçabilité et le respect des écosystèmes. Pour réduire notre empreinte carbone et soutenir l'économie en Europe, les **coussins PAD** sont conçus et **fabriqués en Europe** avec des tissus de qualité supérieure, assurant ainsi la durabilité de nos créations pour qu'elles vous accompagnent de nombreuses années.
