HOME COLLECTION FALL WINTER 2026

YESTERDAY IS A TREASURE, TODAY IS A GIFT

In 2007, Pip Studio was founded in Amsterdam by Catharina van der Endt who decided it was time to colour outside the lines. Today, Pip Studio has grown up, but kept her playful character. Pip Studio is a reflection of Catharina's positive personality and perspective on life. She is convinced that each moment of each day beholds the opportunity to share and celebrate life with the people we care for.

Some people are born with it. Others gain it from experience.
Some will never learn... The ability to recognize life is full of moments that might make the difference. You could ignore those tiny chunks of gold by sticking to your daily routine. But Pip suggests doing the exact opposite. Chase them, embrace them and cherish them. Pip encourages people that put their heads through the window to catch the last beam of sun or stick their tongues out to catch that first drop of rain.

By surrounding yourself with Pip's creations, you remind yourself of the choice to celebrate whenever and wherever. From waking up in the morning in a beautifully messy bed, walking barefoot over fairy tale tiles to sipping coffee together from royal porcelain cups that are different in every way you look at it. From teapot to wallpaper, from carpet to cookie jar: Pip brightens your day with a colourful mash-up of styles and stories. Pip is a true treasure hunter. A passionate collector of past prettiness and enthusiastic adopter of bright new technology, like digital textile printing or porcelain cutlery. Resulting in a growing number of collections of today's classics.

Pip's products are crafted with eye for the tiniest (quirky) details. Classic yet inventive, traditional yet original. They remind us to embrace our heritage and inspire us to celebrate life. **Yesterday is a treasure, today is a gift.**

SUSTAINABILITY, CARE & USE

Pip Studio does not own any factories, we work together with our carefully selected partners. We believe that the manufacturing of our products should be done in a responsible way. We aim to create collections with well-thought-out solutions that bring a sparkle to everyday life. Our partners' philosophy is to build a trustworthy and long-term relationship with our suppliers in order to ensure continuity of the quality, look and delivery of our collections. All Pip Studio products produced in a sustainable way are marked with the Pip Studio sustainable icon (as shown above).

To enjoy your Pip Studio products till the end of times, we recommend the following care and use instructions:

TABLEWARE

- Material: A-grade white porcelain and New Bone China;
- 100% food safe;
- Not dishwasher- and microwave safe due to the golden decorations;
- Always wash any new purchases before first use, in a mild solution of liquid detergent;
- Use liquid detergent;
- For tea/coffee stains, use a specialized stain remover;
- Use only a soft sponge - metal or abrasive scouring pads can scratch the surface or leave permanent marks;
- Plates can scratch one another, so do not put too many in a sink at one time;
- Don't use abrasive detergents;
- All capacity informed is full capacity.

HOME DECORATIONS
