Bernardo is the dwarf who isn't afraid to speak his mind. With his unmistakable gesture and cool shades, he defies conventions and turns sarcasm into collectible design. Made of resin, he's perfect for those who love to decorate with attitude, humor, and a bold punk twist.

**Material:** Durable resin, ideal for indoor use
**Design**: Bearded gnome with a pointed hat, sunglasses, and a cheeky middle finger raised, all with a friendly smile
**Personality:** Bold, ironic, non-conformist

.

*Bernardo is more than just a decorative statue, he's a statement.*
*A free spirit turned into design. Because sometimes, even home decor has something to say.*

## CIRO

A tribute to Italian folklore and Neapolitan superstition: Ciro is a decorative resin dwarf proudly holding a lucky horn, a traditional symbol of protection, good fortune, and playful irony. With a bold and modern look, Ciro is a true statement piece for any interior or retail space.

**Material:** Made of durable resin, ideal for indoor settings.
**Design:** Dwarf with sunglasses, a mischievous smile, and a confident pose. In his right hand, he holds a Neapolitan red horn with a gold tip, while behind his back he subtly makes the classic "horn fingers" gesture for good luck.

**Unique Details:** his sunglasses, playful stance, and cultural symbolism make Ciro a unique and eye-catching figure.

**Available Colors**
**White with red and gold horn:** Elegant and rooted in tradition.

**Red with white and gold horn:** Bold and vibrant, with a pop-art touch.

*Ciro is more than just a decorative item: he's a good luck charm, a symbol of cultural heritage, and a quirky piece of contemporary art. Charming, ironic, and full of character.*
