ABOUT

MA CHÉRIE MON AMOUR

DESIGN THAT SMILES BACK.

Our brand embraces a chic, quirky and humour-filled style. Our philosophy? To enchant everyday life and bring a smile to every design. Playful cats, dogs and animals take centre stage across our collections, delighting animal lovers everywhere. Our patterns start life with the help of AI, then get a hands-on finish from our designers for a result that's always unique and original.

OUR COLLECTIONS

Tableware & home decor — Placemats, coasters, trivets, centrepieces, desk accessories, mugs: bold colourful patterns and characterful animal illustrations to dress up every meal.

Wooden trays — Practical serving pieces that double as decorative statements for your home.

Decorative textiles — Cushions and tea towels, created in collaboration with PAD, a pioneer in home textiles, to bring a splash of personality to any room.

OUR COMMITMENT

Beauty and ethics aren't mutually exclusive — that's a founding belief. Our vinyl and glass collections are made to order to minimise waste.

Our trays are crafted from FSC-certified birch wood, sourced from sustainably managed Swedish forests. And our PAD textiles are made in Europe using premium fabrics, built to stay with you for years — while keeping our carbon footprint in check.

Ma chérie Mon amour: because everyday life deserves a little enchantment.

LE DESIGN A LE SOURIRE.

Notre marque cultive un style chic, décalé et plein d'humour. Notre philosophie ? Enchanter le quotidien et faire naître un sourire devant chaque design. Chats, chiens et animaux facétieux s'invitent avec élégance sur nos collections, pour le plus grand bonheur des amoureux des bêtes. Nous imaginons nos motifs avec l'aide de l'IA, puis nos graphistes les retravaillent à la main pour un rendu toujours unique et original.

NOS COLLECTIONS

Art de la table & décoration — Sets de table, dessous de verre et de plat, centres de table, accessoires de bureau, tasses : des motifs modernes et colorés ou des illustrations d'animaux pleines de caractère pour sublimer vos repas.

Plateaux en bois — Alliant praticité et esthétisme, ils accompagnent le service tout en habillant votre intérieur.

Textiles déco — Coussins et torchons de cuisine, imaginés en collaboration avec PAD, pionnier du textile de maison, pour apporter du peps dans chaque pièce.

NOTRE ENGAGEMENT

L'esthétique et l'éthique ne sont pas incompatibles — c'est même notre conviction fondatrice. Nos collections en vinyle et en verre sont produites à la demande pour limiter le gaspillage.

Nos plateaux sont façonnés en bois de bouleau certifié FSC, issu de forêts suédoises gérées durablement. Et nos textiles PAD sont conçus en Europe, dans des matières de qualité supérieure, pour vous accompagner de longues années — et réduire notre empreinte carbone au passage.

Ma chérie Mon amour : parce que le quotidien mérite d'être enchanté.

A spark, a meeting of minds — and so began a bold, colour-drenched collaboration between PAD, the pioneering German home textile brand celebrated for its craftsmanship and design, and Ma chérie Mon amour, with its playful and inventive aesthetic.

Un coup de cœur, une rencontre — et c'est ainsi qu'est née une collaboration audacieuse et haute en couleurs entre PAD, marque allemande pionnière du textile de maison reconnue pour son savoir-faire et son design, et Ma chérie Mon amour, à l'esthétique aussi ludique qu'inventive.
