Make AW26 a little more joyful

A HOPTIMIST IS ALL ABOUT SMILES, OPTIMISM AND HIGH SPIRITS

Give a Hoptimist and experience the joy of giving. Gustav Ehrenreich created the first figures in the late 1960s, which have gone on to earn themselves a place in Danish design history. Today, the happy movement consists of a wealth of happy, brightly coloured Hoptimists for every occasion.

L'Hoptimist est la quintessence du sourire, de l'optimisme et de la bonne humeur. Offrez un Hoptimist et éprouvez vous-même le plaisir d'offrir. À la fin des années 60, Gustav Ehrenreich a créé ce mouvement joyeux qui, depuis, a trouvé toute sa place dans l'histoire du design danois. Aujourd'hui, il existe un joyeux Hoptimist coloré pour chaque occasion.

Hans Gustav Ehrenreich

Before the Hoptimists saw the light of day, Danish cabinetmaker Hans Gustav Ehrenreich would tinker in his workshop in the house on Aarhusvej in Stilling, Denmark. It was the late 1950s, and in the small "Ehrenreichs Trækunst" workshop, imagination ran high. No two things were ever the same. Small silverfish were transformed into inlays in hand-turned bowls and plates, and unique wooden art items from all over the world were sold from the workshop.

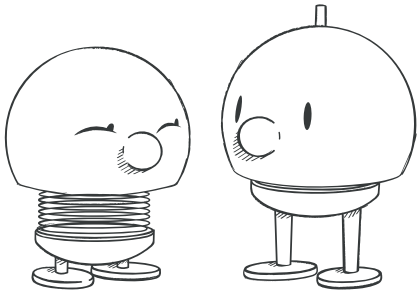

Avant que les Hoptimists ne voient le jour, le tourneur sur bois danois Hans Gustav Ehrenreich a beaucoup bricolé dans l'atelier de sa maison d'Århusvej à Stilling au Danemark. C'était à la fin des années 50, et la créativité battait son plein dans le petit atelier de « travail artistique du bois d'Ehrenreich ». Il ne créait jamais deux objets identiques. Il incrustait des petits poissons d'argent dans des bols et des plats tournés à la main, et vendait des objets artisanaux uniques en essence de bois du monde entier.

Ehrenreich created the first prototypes for Birdie, Bimble and Bumble in the late 1960s. In the spirit of that time, it was bright colours and harmonious, round shapes that characterised the first bouncy friends. Bimble is the one with the smiling eyes, and Bumble is the one with wide-open eyes and a small stick-hat atop his head.

À la fin des années 60, Ehrenreich créa les premiers prototypes de Birdie, Bimble et Bumble. À l'image de l'esprit de l'époque, ces premiers petits amis sauteurs étaient caractérisés par des couleurs vives et harmonieuses. Bimble est celui qui a les yeux souriants, et Bumble est celui qui a les yeux grands ouverts et un petit chapeau en forme de bâtonnet sur la tête.

Wood Collection

Gustav Ehrenreich originally wanted to make his Hoptimists out of wood.
We have realised his dream, and today we make our Hoptimists from oiled oak,
smoked oak, and untreated oak.

Gustav Ehrenreich souhaitait à l'origine créer ses Hoptimist en bois.
Nous avons réalisé son rêve et fabriquons aujourd'hui des Hoptimist
en chêne huilé, en chêne fumé et en chêne non traité.

The Big Five

No need to go to Africa to meet The Big Five – with Hoptimist,
you can get up close and personal. So close, in fact, that you can give them a little
nudge and watch them bounce with joy. Here you'll find a strong buffalo, a cute rhino,
a spotty leopard, a listening elephant and a majestic lion.

Pas besoin d'aller en Afrique pour rencontrer les Big Five – avec Hoptimist,
tu peux les approcher de très près. Tellement près que tu peux leur donner une petite
tape et les voir sautiller de joie. Tu y trouveras un buffle costaud, un rhinocéros tout mignon,
un léopard tacheté, un éléphant à l'écoute et un lion majestueux.

Skiing Collection

Give the red-cheeked skiing Hoptimists a little nudge and watch them jump for joy across the snowy mountains. They are like heartwarming rays of sunshine on a crisp winter's day putting a smile to the lips of anyone lucky enough to cross their path.
The skis can be easily removed.

Donnez un petit coup de pouce aux skieurs Hoptimistes aux joues rouges et regardez-les sauter de joie sur la neige blanche de la montagne. Tout comme les rayons de soleil par une fraîche journée d'hiver, ils apportent de la chaleur dans les cœurs et un sourire sur les lèvres de tous ceux qui ont la chance de croiser leur chemin. Les skis peuvent être retirés facilement.

MAKE EVERY DAY A LITTLE MORE JOYFUL

No two Hoptimists are exactly the same. Each and every Hoptimist is hand assembled and therefore they each have some degree of uniqueness.

You can be absolutely certain, that all Hoptimists are equally Joyful, however they may have smaller variance in height, direction etc. This is due to spring variations and the individual assembly.

If you are unlucky to receive a Hoptimist, that is not up to standard, or have suffered damage during transport, we are here to help you, by replacing or crediting the product.

Please send us a short email on info@fh-as.dk. If you are able to attach pictures, we do appreciate it greatly. We are keen to learn from our mistakes and pictures help us to fully understand the issue at hand.

Ucun Hoptimist n'est identique à un autre. Les Hoptimists sont assemblés à la main, c'est pourquoi chaque Hoptimist est unique.

Vous pouvez être certain que tous les Hoptimists sont joyeux, mais ils peuvent varier légèrement en hauteur, ajustement, etc. Cela est dû aux différents ressorts et à l'assemblage individuel.

Si, par malchance, vous recevez un Hoptimist qui ne correspond pas à vos attentes ou qui a subi des dommages pendant le transport, nous échangerons ou rembourserons le produit.

Il suffit de nous envoyer un bref e-mail à info@fh-as.dk. Vous nous aiderez grandementen joignant des photos. Nous souhaitons apprendre de nos erreurs, et les photos nous aident à mieux comprendre le problème à résoudre.
